

Position: Alcohol and other Drugs Counsellor to Join a Dynamic Primary Health Care Team

Aboriginal & Torres Strait Islander Health Services (ATSICHS) Mackay Ltd mission is to deliver a quality appropriate primary health care service to our regional community, the Aboriginal and Torres Strait Islander people of the Mackay region that is tailored to meet their health needs.

An exciting and flexible opportunity exist for an Alcohol and Other Drug Counsellor to join our dedicated team.

This position requires contemporary knowledge of current trends in alcohol and drug treatments for Aboriginal and Torres Strait Islander people and intervention strategies that support change in a compassionate culturally specific way. The ability to develop and facilitate groups is essential. The ability to use a computerised client management system for case notes and data collection is essential.

The AOD Counsellor will support the program by assessing referred clients and providing therapeutic interventions including one to one and group setting counselling. Other duties may include contributing to the team's local community-based initiatives.

Skills and Experience

- Minimum Certificate IV in Alcohol and Other Drugs or equivalent / Relevant Degree in Social Work or Human Services.

Application closes 12pm on Friday, 5th July 2019.

This is a great opportunity to contribute to Indigenous Health in this dynamic environment.

Please contact our HR Officer, Amanda Prewett on 07 4957 9416 for a Position Description or by emailing hr@atsichs.org.au

Strong Aboriginal & Torres Strait Islander communities managing their health to enjoy a long and quality life.
